### Dear MAGNET Partners,

This is to invite you to participate in the project's First General Meeting to take place at LOGOS University College's <u>premises</u> on 31 August to 2 September 2023. The meeting's objectives are multiple. First, we ought to review and approve the Master-Plan for the Needs & Wants of Higher Education in the Western Balkans. Second, we shall engage in reporting and planning subsequent actions related to WP3 (including but not limited to the BalkaNetUP establishment, the establishment of enhancement of CTLs among partner institutions, the development of MOOCs, etc.). Third, to monitor progress made to date in the project's WPs. Last but not least, we should also foster team building.

In the following pages you will find the First General Meeting's agenda, as well as a list of hotels and restaurants with discounted prices, in case you might be interested. LOGOS University College and its MAGNET team are looking forward to hosting you in Tirana.
